### **PRIVACY & SECURITY ADVISORY**

Delegates are advised that this conference will take place entirely online using a third-party video conference platform called Zoom. This means that, in order to participate in the conference, you will be required to download and configure the Zoom application for use on your personal or work computer, tablet or smartphone.

Delegates are cautioned that, by their nature, video conferencing platforms utilize the camera and microphone on their devices and that they should act accordingly. Before using Zoom, please ensure that your camera and microphone are functional and that they are turned OFF. Activating your microphone or camera is entirely your choice and is not a requirement to participate in the Conference.

Lastly, be advised that, when you are using Zoom or any other third-party application, you are agreeing to that vendor's terms & conditions and to their privacy policy. Please consult <https://zoom.us/terms> for further details.
